This is a Home Service Agreement, not an insurance policy. This Home Service Agreement, hereinafter referred to as the “Agreement”, is issued by the entity listed for your state on the Agreement Coverage Summary Page. Such entity is hereinafter referred to as the “Issuing Company”, or “we”, “us”, and/or “our”. The owner of the home covered by this Agreement is hereinafter referred to as “you” and/or “your”.

IMPORTANT INFORMATION ABOUT YOUR PLAN COVERAGE SUMMARY:

Your Plan Coverage Summary page is attached to and is part of this Agreement. It is important to review because your coverage includes only certain mechanical failures of the specific items listed as covered on your Plan Coverage Summary page. Coverage is subject to the limitations and conditions specified in this Agreement.

This Agreement has provisions for the use of final and binding arbitration to resolve disputes and otherwise limits the remedies available to you. Please see the DISPUTE RESOLUTION section for more information about arbitration.

I. Types of Properties Covered

This Agreement covers a single family residence, including a condominium, townhouse, villa or manufactured home used solely for residential purposes and eligible manufactured homes. To be eligible, a manufactured home must

- (i) Have been constructed within (10) years of the effective date of the Agreement.
- (ii) Be permanently secured to the ground on land you own or located in a division operated similar to a condominium, where maintenance is provided.

This Agreement provides coverage under a special exception for special purpose group homes devoted to housing persons with mental and physical disabilities, as those terms are defined by the Americans with Disabilities Act at Title 42 of the United States Code Section 12102(2)(A).

This Agreement does not cover:

- Mobile homes
- Multi-family residential property of more than two-units
- Any dwelling used in whole or in part for commercial purposes including non-profit organizations
- Homes listed or registered in any historical register, including without limitation the National Register of Historic Places

Whether or not this Agreement covers a condominium unit, manufactured home, or multi-family property (duplex), any repairs and/or replacements are limited to the items solely used by and located and serviceable within such single unit (unless specified otherwise). **No common area items shared by non-warranted units shall be covered by this Agreement.**

II. Terminology to Know

- “Builder Grade items are products that are mass produced and stylistically neutral.
- “Commercial-grade” items are those that were designated by the manufacturer, manufactured and primarily marketed for installation and use in commercial operations.
- “Domestic-grade” items are those that were designated by the manufacturer, manufactured and marketed solely for installation and use in a residential single family dwelling.
- “Item” examples: air conditioning unit, heating unit, water heater, individual appliances such as refrigerator, dishwasher and ceiling fans.
- “Item Lifetime” is defined as the total time for which an item is technically designed to operate from its date of purchase and is expressed in years
- “Mechanical failure” occurs when a covered item/system becomes inoperable and unable to perform its primary function, subject to the limitations and conditions of this Agreement.
- “Proper operating condition” means the item/system was correctly located within the home, was properly installed to code at the time of installation, was fully connected, was capable of successfully performing all operations commensurate with the manufacturer’s original design intention, and did not pose any hazard to life or property.
- A “necessary or required upgrade” is a replacement improving: manufacturer specification; energy efficiency; or system performance due to external circumstances (such as inability to obtain parts/equipment or government mandated system modifications).
- A “simple mechanical test” means the ability to turn the unit off and on verifying the item operates without irregular sounds or smoke that may indicate a problem. In certain instances, we may require documentation from you during a claim review.
- A “visual inspection” of the covered item is considered to mean the viewing of an item to verify that it appears structurally intact and without damage or missing parts that would indicate inoperability.

III. When Your Coverage Applies

1. **We agree to pay the covered costs to repair or replace the items listed as covered on your Agreement Coverage Summary Page if any such items become inoperable during the term of this Agreement due to mechanical failure caused by routine wear and tear.** The definitions of the specific items that may be listed on your Agreement Coverage Summary Page as covered, as well as other limitations on coverage and other terms and conditions, are listed below.

2. We will cover mechanical failures relating to the mechanical parts and components of those domestic-grade items that were in the home and in proper operating condition on the Agreement effective date.
3. We will cover mechanical failures due to rust and corrosion and or sediment.
4. We will cover an unknown pre-existing mechanical failure provided the failure could not have been detected by visual inspection or simple mechanical test.
5. **The decision to replace rather than repair items is solely our option.** Should we choose to replace an item, the replacement shall:
 - be the base model that meets all applicable federally mandated minimal manufacturers' standards,
 - perform the same primary function, and have a capacity comparable with the covered item, when available with domestically assembled units.

When replacing systems and appliances:

- We are not liable to provide exact match in color, dye, lot, material, type or brand.
- We will be responsible for the installation of the replacement item but not for the cost of the construction, modifications, carpentry or transitional work made necessary in order to accommodate the replacement, nor for any costs to upgrade or modify items for any reason except as otherwise specified in this Agreement.
- With respect to kitchen/laundry appliances, we will make reasonable efforts to provide replacement items of similar mechanical capabilities and/or efficiency of the original unit, when available.

Item	Replacement standard
Kitchen Appliances	Similar
Laundry Appliances	Similar

When making repairs:

- We reserve the right to rebuild existing parts or components and/or install rebuilt or refurbished parts or components.

6. Our cash payment policies and procedures:
 - In instances where the combined cost of diagnosis and repair or replacement is estimated to exceed a stated contract dollar limit, we will not provide repair or replacement services but will instead pay an amount equal to the contract dollar limit minus the deductible amount. If the stated contract dollar limit is an aggregate amount then paid claims will also be subtracted from payment.
 - In some instances, we may offer cash in lieu of repair or replacement services. This offered amount is based on what we would expect to pay (which is substantially less than retail cost) for parts and labor for covered items less the incurred cost of the contractor's diagnosis. You are required to repair the item or provide a new replacement and send the acceptable proof of your actual itemized costs to us before any reimbursement amount will be paid.
7. **Should we determine to pay cash in lieu of replacement and you only repair the item instead, or replace an item with a used or refurbished item the item will be excluded from further coverage under this Agreement and subsequent renewals. We reserve the right to inspect repaired and/or replacement items.**
8. **Determination of the operating condition as of the Agreement effective date, and the nature of any failure, will be made by us based upon the professional opinion of remote diagnosis for connected systems and/or appliances or our direct employees, considering but not limited to, the independent contractor's diagnosis.**

IV. Requesting and Receiving Service

1. **You must notify us of any mechanical failure when it happens and prior to the expiration of your Agreement. We are available twenty-four (24) hours a day, seven (7) days a week online at my.cinchhomeservices.com or by phone at 1-844-324-5688. If you fail to notify us of any mechanical failure during the coverage term in which the failure occurred, we will not be responsible for the cost of any repairs and/or replacements resulting from the mechanical failure.**
2. We will use reasonable efforts to provide a referral to an independent contractor within two (2) hour(s) after the service request is received during normal business hours and within twenty-four (24) hour(s) for requests received outside of normal business

hours. We will determine, at our sole discretion, which repairs constitute an emergency requiring expedited service and will give consideration to covered mechanical failures that affect the habitability of the dwelling.

3. **We are not responsible for expenses you incur without our express consent.** We will not reimburse you for any costs associated with unauthorized repairs or work performed by unauthorized contractors.
4. **This Agreement may include a deductible amount, as listed on your Agreement Coverage Summary Page. You may be required to pay all or part of your deductible at the time you request service. All or a portion of your deductible may be nonrefundable.**
 - You are responsible and must pay for any amounts due for services performed which are not covered under the terms, conditions and provisions of this Agreement.
5. You are responsible to provide access to the covered property during normal business hours for the independent contractor to diagnose, obtain approval for, and/or complete repairs for covered mechanical failures. You are responsible to pay us and/or our independent contractor any service charge and additional charges assessed by our independent contractor resulting from your failure to provide access and/or for missed appointments caused by you.
6. We reserve the right to obtain, at our expense, a second opinion by an independent contractor prior to determining eligibility for coverage.

Arbitration shall be conducted within the geographical limits of the applicable federal district court where the Covered Property is located, or such other location upon which both parties mutually agree, and administered by a mutually agreed upon arbitration service. The Commercial Arbitration Rules and Supplementary Procedures for Consumer-Related Disputes of the American Arbitration Association or similar such rules (the "Arbitration Rules") in effect at the time arbitration is demanded by either party shall govern the arbitration proceeding and the selection of one neutral arbitrator to preside over the proceeding. Our failure to exercise any such right on one occasion shall not be deemed a waiver of such right on other occasions.
5. **Waiver.** Should we waive any of our contractual rights; such waiver will not constitute a future waiver of said rights.
6. **Disclosure.** The price of the Agreement includes the full amount of all fees due and payable as well as the costs of processing and administration for the Issuing Company and its agents where allowable by law. Any applicable state or local sales taxes are in addition to the price of the Agreement.
